On the Order overview, what does the term "Expired" mean?

Last updated: Wed, 08 Sep 2021 14:52:55 GMT

Applies to

- Wise staff client

Answer

The expired term appears on the report after deleting On-order items from the catalog. A scenario for this would be if a vendor was not going to be able to fulfill the full order so the library needed to remove on-order items by going to the catalog, right clicking and select Delete Orders. After doing this, the order overview report would show those titles appearing with an item status "Expired".
