What does the 'M' next to the PO numbers on the Order request screen mean?

Last updated: Wed, 08 Sep 2021 14:52:59 GMT

Answer

The 'M' means that the PO was manually assigned/entered. Currently, all POs must be generated manually, so they will all have an 'M'. In the future, we hope to add automatic generation, at which point this will be a useful distinguishing tool.
